To All Henlopen Conference Coaches, Athletic Directors, and Guidance Counselors:

In 2018, the Delmarva Football Officials Association, Inc. will be awarding a scholarship to Division I and Division II Athletes who participate in Henlopen Conference football

Each school is invited to nominate eligible athletes. The Delmarva Football Officials Association Scholarship Committee must receive all nominations no-later-than 31 May 2018

Nominees must be Henlopen Conference athletes who exemplify the virtues of athletic competition and scholastic achievement. Please prepare a brief statement, which must accompany the nomination. Include contributions that make each nominee worthy of consideration. A brief biography or any background information is always helpful to the selection committee.

The following guidelines should assist you for making your nomination(s):

- ❖ The Athlete that goes beyond the norm to promote good sportsmanship, i.e. shows respect for their opponent, team members and others around him or her.
- ❖ The Athlete that has established him/herself as a good role model in his or her school environment.
- ❖ The Athlete that carries a minimum of 2.75 grade-point-average.

These awards are not necessarily for the best athletes, but for those who exemplify the true spirit of athletics and scholarship.

Awards will be presented before the end of the 2016-2017 school year. Scholarship check(s) will be made payable to the winning athlete's college or university.

Sincerely,

*Kenny Hastings*
